

About Spectrum Sounds

Thank you for visiting my web site. Let me take a minute to introduce myself, my name is Michael A. LaMarca, and I am the owner of Spectrum Sounds. I have been married to my beautiful wife Angela since June of 1983. I have three wonderful sons, twins Giorgio and Louis born in 1988 and my youngest Mikey who was born in 1994. I have been involved in the Disc Jockey business for 15 years now and have built one of the fastest growing disc jockey companies in Western New York. I enjoy my business, and nothing makes me happier than organizing and performing a successful engagement for my customers. I would like to give you my personal guarantee that Spectrum Sounds will put your satisfaction first, and make your occasion an enjoyable one.

I am sure there is many questions you will need answered before making your decision when choosing a reputable Disc Jockey Company for your event. One of the most important facts to remember when making this decision is to realize that your DJ is responsible for 90% of your reception. The music you choose will set the mood for your event. Select your Disc Jockey / Emcee carefully, since they can either make or break your event. There are only two things that months, even years from now, your guests will remember about your reception. That is the food that was served and the music your DJ provided. Another important fact to consider when making your decision is that you only have one attempt to make this day the very best it can be, so don't trust it to just any Disc Jockey Company.

Take a moment to think about this: People will spend an average of \$25,000.00 dollars on their wedding. They will spend from \$400.00 on up to \$900.00 dollars for an ice sculpture, that at the end of the night I am walking over in the parking lot when loading up my truck. A tent for an outside wedding costs \$1200.00 dollars or more depending on the size, yet if it doesn't rain the tent was just a source for shade. People will even spend hundreds even into the thousands for appetizers prior to dinner at their reception, yet when it comes to selecting a Disc Jockey Company, they will choose to contract a DJ for less than they spent for ice, cookies, cheese trays, tents, flowers.....
